*We provide a gorgeous boutique studio wardrobe*

During a session, our boudoir clients are welcome to use any of the beautiful dresses, sheer pieces and lace robes we provide within our studio wardrobe. We offer carefully selected pieces that flatter a wide range of body types and style preferences. Our unique boudoir style is a combination of sexy beauty portraits and sensual posing. We love when a client begins a session wearing one of our beautiful gowns and ends with their favorite lingerie or a simple white sheet.

It's completely normal to feel a bit apprehensive about booking a boudoir session, but we promise that all of those butterflies will all go away within moments of stepping through our door!
